Introduction

Colwich Parish Council covers the villages of Colwich, Little Haywood, Great Haywood, Wolseley Bridge and Bishton. The Council has 14 members, elected every four years, who are split between the two wards of Little Haywood/Colwich and Great Haywood. The council employs four members of staff: the Parish Clerk, Deputy Parish Clerk and two part-time Lengthsmen.

The Full Council usually meets at 7:30pm on the first Thursday of every month. The December meeting was moved to the end of the month so as to be the final meeting of the calendar year. Extraordinary Full Council meetings were called in July and October to discuss the proposals to close Little Tixall Lane, linked to the proposed new development, as well as to consider the Council's position on HS2. Formal meetings are open to the public who may raise questions and concerns on any item on the Agenda. The following committees also met during the year: Environment & Leisure; Policy; Finance; Employment; Communications and Events. The Council also held Planning Committee meetings to discuss major planning applications for instance the proposed Gas Generator on the boundary with Colton. The Youth Council, populated by young people in the parish within school years 6 - 13, met monthly. Each Youth Councillor has been provided with a Council email address to be used for Youth Council matters. The Youth Council organised a successful fete linked to the Flower and Vegetable show in September 2018.

At the Annual Meeting of the Council on 3rd May 2018, Cllr Adam Billingsley was elected Chairman and Cllr Andy Dunn was elected Vice Chairman. Cllr Billingsley resigned in September 2018. Cllr Sylvia Gibson was elected Chairman on 4th October but resigned in January 2019. Cllr Andy Dunn was elected Chairman on 7th February 2019 with Cllr Billingsley being elected Vice Chairman on 7th March 2019.

The Parish Centre was open between 1pm and 3pm, Monday and Tuesday; 10am and Noon & 1pm and 3pm Wednesday and Thursday and closed to the public on Friday. As well as information leaflets, the office also has a store of free dog poop bags, provided by Stafford Borough Council.

Casual Vacancies on the Council.

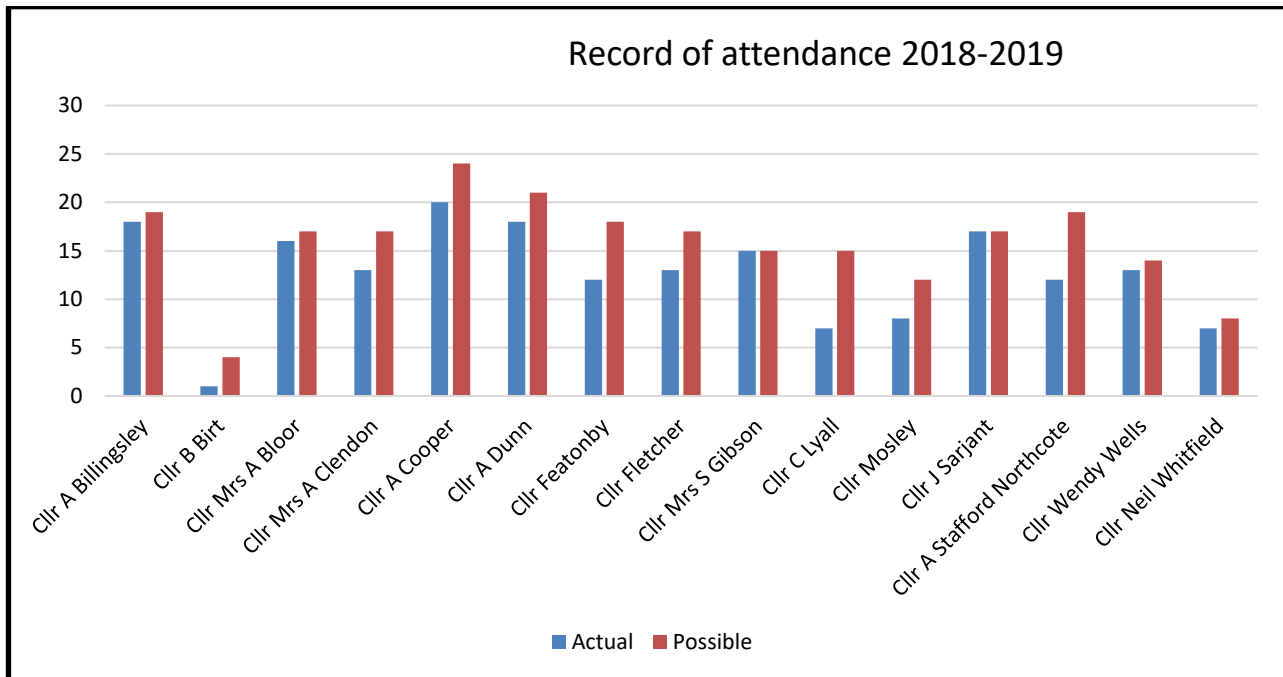

During the year, the council had a total of 4 vacancies caused by the resignations of Adam Billingsley (co-opted back onto the Council on 20th December 2018); Jim Sarjant and Sylvia Gibson. The Council also lost long time member Barrie Birt who sadly passed away in June 2018 to be replaced on 6th September by Neil Whitfield. Annette Bloor was co-opted onto the Council on 5th April 2018 to fill one of the 2017/18 casual vacancies. Two casual vacancies remained unfilled at the end of the reporting year.

Jubilee Playing Fields

The Parish Council owns and maintains the sports field, toilet block and play area. The Council maintains the site and the grass cutting within the children's play area and BMX track through the Lengthsmen. Maintenance of the toilet block is also undertaken by the Lengthsmen rather than through a contract as previously. The Lengthsmen ensure that the site is kept clear of litter and hazards. The lengthsmen installed a new recycled plastic fence around the children's play area over the winter period.

During the year, the Council's network of CCTV cameras at the JPF were able to identify a number of fly-tippers. The images, downloaded remotely by the Lengthsmen, were passed to the Clerk for onward transmission to Stafford Borough Council who issued Fixed Penalty Notices to the offenders. The CCTV network also recorded images of people causing criminal damage and other anti-social behaviour which were passed to Staffordshire Police.

Allotments

The Parish Council owns 3.7 acres of allotments, on Coley Lane, which it leases "en masse" to the Allotment Association who manage and operate the site. The Council continues to investigate other possible sites for allotments within the Parish. Ideally within the Great Haywood ward.

Parish Maintenance

The Parish Council is responsible for various grass areas in the Parish under contract from the County Council. These grass verges are maintained by the Council's Lengthsmen who are able to undertake far more cuts than would be the case if the areas remained with the County Highways. The Lengthsmen also maintain the grass outside the Parish Office and undertake regular litter picks across the parish. The Lengthsmen have cut back a number of hedges which were overgrowing the pavement not least along Coley Lane; Meadow Lane; Abbeyfields; Cliff Road and Oldfields Crescent. The Lengthsmen also maintain the Council's benches and noticeboards. The bench at the top of Mill Lane was refurbished and dedicated to the memory of Cllr Barrie Birt whilst Jodie and Chloe Morrall presented the Council with a bench, dedicated to their late father Alan Morrall, which was installed outside the Parish Office on St Marys Road. New Noticeboards have started to be installed across the parish with further ones to be installed in 2019/20.

Footpaths

The Parish Council works with local walking groups and in conjunction with Staffordshire County Council to investigate and resolve issues regarding rights of way. The County Council has made a number of improvements during the year following an approach by the Council.

Highways

The Lengthsmen undertake various minor highways works including sweeping the gutters and gullies and cleaning the drain grids to facilitate easier flow of surface water; keeping pavements clear of overgrowing grass/weeds and cleaning road signs.

Great Haywood Memorial Hall

The Council continues to work with local residents, the Memorial Hall Committee and the Surgery to investigate the creation of a footpath linking the Memorial Hall car park to the Surgery car park.

Newsletter

Four Newsletters were published by the Council and distributed by the Lengthsmen.

Planning

The Parish Council is a consultee for planning applications. The Planning Committee meets when a major planning application is received. The Parish Council does not have the power to make a decision on planning applications but can raise objections or concerns for consideration. These are returned to Stafford Borough Council along with any noticeable infringements on planning regulations.

Administration

The Parish is managed by a full-time Parish Clerk / Responsible Financial Officer and a part-time Deputy Clerk / Finance Officer. Both of the Clerks hold the Certificate in Local Council Administration and are Principals of their Professional Body, the Society of Local Council Clerks. The Clerk is the Staffordshire representative on the Society's National Forum as well as a Midlands representative on the National Executive Committee of the Association of Local Council Clerks.

Quality Council

The Council continues to hold "Foundation Status" in the National Association of Local Councils award scheme. Work is ongoing towards Quality Council Status and eventually Gold Standard Status. However, this work has stalled as, due to the number of resignations in the year, the Council does not meet the qualifying criteria of having 2/3rds of its number elected.

Internal Examination

In his report on the 2018/19 accounts the independent Internal Examiner wrote:

"It is our opinion that the quality of governance and reporting demonstrated by your council is one of the leaders in the Staffordshire area and you are to be commended on your efforts."

FINANCE

Council Tax Summary 2018/19

The main form of income for the Parish Council is the precept demand which is included in the council tax from Stafford Borough Council. Stafford Borough Council also makes a payment to the Parish Council (called a concurrent function) every year which is used towards tasks undertaken by the Parish which mirror those that the Borough undertake in Stafford e.g. maintaining the JPF toilets. Stafford Borough Council also passed on the Government's Local Council Tax Support Grant amount of £5,220. These amounts are expected to be similar in 2019/2020.

Although it is the Borough Council that charges the council tax, it includes payments for the Police, Fire & Rescue Service, Staffordshire County Council and the Parish Council as well as for the Borough itself.
