We would now invite everyone to visit these scarecrows and then rank them for each of the two areas. The residents of Billington Avenue have entered as a single entity (not 8 individual scarecrows) and you should rank them as a single entity. Only those addresses listed above may be considered in the voting. Other scarecrows, for instance the one outside the parish office, are for support only. Councillors and/or officials may have scarecrows on display but these are not entered in the competition. I've added a scarecrow from Crossheads whose original entry form went astray and amended Covert Close to all be in Great Haywood. Apologies again.

The scarecrows should be on display this weekend and next weekend and we would ask for your votes to be submitted by 18th September 2020, at the latest. Please include your name and address with your votes as voting is only open to residents of the parish.

Thank you and good luck to all those who have entered.

Revd Mr Michael Lennon PSLCC
Colwich Parish Clerk
