AIMS AND VALUES

1. INTRODUCTION

- 1.1** The parish of Colwich consists of many villages within our one community of about 5,000 residents. The main villages, at the centre of the parish, are Colwich, Great Haywood and Little Haywood. Additionally, we have the communities of Bishton; Wolseley Bridge; Far Coley; Moreton and Farley Corner as well as parts of Etchinghill, on the border with Rugeley, and within Shugborough/Cannock Chase.
- 1.2** The parish of Colwich is situated to the east of Stafford on the confluent of the River Sow and River Trent. The two rivers meet by the Grade 1 listed Essex Bridge on the edge of the Grade 1 listed Shugborough house and estate, the ancestral home of Lord Lichfield. The Shugborough estate forms the western quadrant of the parish.
- 1.3** Great Haywood is also the confluent of the Staffordshire & Worcestershire Canal and the Trent & Mersey Canal which meet at Haywood Bridge. A portion of Cannock Chase Area of Outstanding Natural Beauty forms the southern quadrant of the parish.
- 1.4** The parish has two distinct conservation areas:
 - 1.4.1** Great Haywood & Shugborough (the historic centre of the village along Main Road, including both St John the Baptist RC and St Stephen CofE churches and all the Grade 1 listed Shugborough house and gardens up to the borders with Ingestre with Tixall parish and Berkswich parish).
 - 1.4.2** Colwich & Little Haywood (consisting of the historic heart of the villages including St Marys Abbey and St Michael and All Angels CofE Church).
- 1.5** Additionally, the parish has parts of the Staffordshire & Worcestershire Canal Conservation Area as well as parts of the Trent & Mersey Canal Conservation Area within its boundary.
- 1.6** The Colwich Neighbourhood Plan was adopted in 2016 as a blueprint for how residents wished the parish to evolve in the period up to 2031. The five-year period up to 2016 had seen several planning applications for over 250 additional dwellings across six developments. Following the adoption of the neighbourhood plan, we have seen a lull in the building of new housing estates across the parish. Whilst some housebuilding continues, for historic approvals, the rush for more estates has been tempered by the agreed settlement boundary, meeting the expressed desires of residents.
- 1.7** There are 3 primary schools within the parish: St John the Baptist and Anson in Great Haywood and Colwich Primary School, Colwich.
- 1.8** The West Coast mainline divides at Colwich junction with the western line going forward to Liverpool and Scotland through the 777-yard Shugborough Tunnel, with Grade II listed portals at either end. The eastern line, running along the western side of the main villages, proceeds to Manchester. The villages are bounded to the east by the A51, Lichfield Road. Beyond the A51 is primarily farmland. The A513, Lichfield Road, runs to the south of the villages meeting the A51 at Wolseley Bridge.

AIMS AND VALUES

2. POWERS AND DUTIES

- 2.1** Parish Councils have a number of powers and duties set out in legislation. A power is something a Council may do whereas a duty is something it must do. Unlike an individual, who can do anything unless the law prohibits the action, a parish Council cannot do anything unless there is a law to permit the action.
- 2.2** Colwich Parish Council offers a range of services across our many villages. Additional services are offered by either Stafford Borough Council or Staffordshire County Council. The three Councils work with each other but are responsible for different areas of local life. Each council has its own Councillors, staff, and budgets. Details, including contact information, for the Parish, Borough and County Councillors are available at:
www.colwichparishcouncil.gov.uk/Your_Councillors_5711.aspx
- 2.3** The Parish Council has the power to undertake tasks on behalf of the other two Councils, either under contract or through legislation. However, responsibility remains with either the Borough or County Council and any faults should be directed to them.
- 2.4** Stafford Borough Council and Staffordshire County Council prefer reports to be logged via their respective apps (available in the google and iOS app stores).
- 2.5** The areas of responsibility for the different Councils include:
- 2.6 Colwich Parish Council**
- 2.6.1** Allotments (operated on our behalf by Colwich Allotments Association)
 - 2.6.2** Bus Shelter (e.g., Mill Lane)
 - 2.6.3** Events (e.g., Annual Fete, Twining, Scarecrow Competition, Halloween Competition, Christmas Lights Switch-on and Competition)
 - 2.6.4** Civic Events (e.g., Remembrance Sunday working with the 3 local churches and the Memorial Hall).
 - 2.6.5** JPF (car park, children's play area; MUGA, Skate Park, BMX track and field)
 - 2.6.6** Planning (The Council is a consultee to applications sent to either Stafford BC or Staffordshire CC)
 - 2.6.7** Oldfields Crescent green (The Council maintains the hedge whilst the grass is cut, on our behalf, by Stafford BC)
 - 2.6.8** Platinum Garden of Remembrance, Coley Lane
 - 2.6.9** St Marys play area under lease from Stafford BC.
 - 2.6.10** River of Flowers (working with Colwich in Bloom and Sustainability in Colwich and the Haywoods)
 - 2.6.11** Small grants to local groups
 - 2.6.12** Grass cutting of roadside verges (under contract from Staffordshire CC)
 - 2.6.13** Hedge maintenance (Rockhouse Drive and Abbeyfields – under contract from Staffordshire CC).
 - 2.6.14** Clearing footpaths (under contract from Staffordshire CC)
 - 2.6.15** Cleaning road signs (under contract from Staffordshire CC)
